### Continental Girbau Inc. forms new division—Girbau Industrial

Oshkosh, Wis.--Continental Girbau Inc. recently announced the formation of a new division – Girbau Industrial™. The newest of three divisions and brands of Continental Girbau Inc., Girbau Industrial provides industrial laundry products to North American clients, including large-capacity washer-extractors and drying tumblers, high-volume flatwork ironers, tunnel washing systems and related system machinery, including feeders, folders and conveyor systems.

With the addition of Girbau Industrial, Continental Girbau Inc. has three divisions – Continental Girbau®, which provides multiple lines of washer-extractors, drying tumblers and ironer systems to both the vended and on-premise laundry markets throughout North America; One Press™, which markets high-quality industrial ironers; and Girbau Industrial, the new provider of large-volume, industrial laundry systems to the United States and Canadian markets.

“Girbau Industrial’s development will better serve industrial laundry operations by providing unmatched, energy-efficient laundry systems designed to boost laundry productivity using less labor and energy,” said Mike Floyd, president of Continental Girbau Inc. “Thanks to Girbau Industrial, we will serve larger laundry operations on all levels -providing them with unmatched labor-saving equipment, laundry design services, technical service, and industry-leading factory warranties.”

To find out more about Girbau Industrial laundry products, visit [www.girbauindustrial.com](http://www.girbauindustrial.com) or call 800-256-1073.

Continental Girbau Inc. is the largest of nine subsidiaries of Girbau S.A., based in Vic, Spain. Girbau S.A. laundry products – marketed throughout 80 countries worldwide – meet rigorous environmental and safety standards established by the International Organization for Standardization (ISO). Girbau S.A. holds both ISO9001 and ISO14001 certifications. Ever focused on laundry efficiency, Continental Girbau is a member of the U.S. Green Building Council (USGB), a 501(c)(3) nonprofit that developed the Leadership in Energy and Environmental Design (LEED) Green Building Rating System.
